Get Involved! September 25th Planning Committee Meetings:
Sundays 230pm, 5125 Penn Ave

WHAT IS THE G20?

G20 is an abbreviation for the “group of twenty finance ministers and central bank governors.” Members include 19 powerful countries, but the G20 does not include all of the world’s large national economies. Many countries remain excluded because the membership is not updated as the global economy changes.

During the summit, there is no opportunity for public input; the meeting is conducted “behind closed doors.” The policy decisions made by the G20 affect every human and all the natural resources on this planet.

The Peoples’ March is a Peaceful,
Constitutionally Protected March

12pm:

Rally at 5th and Craft Ave in Oakland, followed by a march to the City County Building

2pm:

Rally at the City County Building, followed by a march to the Federal Building, a few blocks from the David Lawrence Convention Center by 3 pm

The Peoples’ March to the G20 demands:

An End to Wars and Occupations Across the World
Economic Justice for ALL
Jobs for ALL
Environmental Justice for the Earth
Access to Clean Water and Food for All

WHY MARCH ON SEPTEMBER 25TH?

Have you or anyone you know:

Lost a job, lost a home, lost a loved one to war, lost value to a 401k, gotten sick from environmental pollution, or lived without adequate healthcare, access to water, or enough food?

If you or anyone you know have experienced any of these tragedies, you have been directly affected by policies set by the G20. It is your RIGHT to voice your concerns to members of the G20 while they are in Pittsburgh.
